re: United States v. Quentin Wiggins, 23-cr-54 (KMK)

Dear Judge Karas:

Pursuant to 18 U.S.C. § 3145(b), Quentin Wiggins hereby moves for review of a detention order of Hon. Judith C. McCarthy, U.S.M.J., dated January 18, 2023, and requests a hearing at which defendant will seek to have that detention order revoked and the defendant released on bond.

A copy of the transcript of the detention hearing conducted before Judge McCarthy is submitted herewith as Exhibit A.

If convenient to the Court, I would be prepared to go forward with the bond hearing on the next scheduled conference date, April 13, 2023. Alternatively, I ask that the Court schedule a hearing the following week, or as soon as practicable thereafter.

The Parties should be prepared to address this application at the April 13 conference.

Very truly yours,

So Ordered.
